

YORKSHIRE TREBLE FOR MOORTOWN LADIES

Moortown Ladies have achieved the "treble", a first in the club's hundred and six year history, in this year's Yorkshire ladies inter-club team competitions!

With a small ladies membership of around 50 ladies in total, all three teams, (each team requires 7 players!) the Scratch, A and B teams reached the Yorkshire finals which comprise of a semi-final and final knockout of the top clubs in each Division.

These take place at the end of the month at Brough, Selby and Halifax West End Golf Clubs.

The Scratch team finished top in Division 2 of the Scratch league, taking 37 out of a possible 42 individual games and winning the Sue Johnson cup. This secured their promotion back into Division 1 next year.

All of the teams this year comprised well established and long serving lady members as well as several ladies who only joined in the last 12 months.

Moortown has a vibrant competitive and welcoming ladies section which although small has recently been very successful in attracting new members. We also operate an Academy programme for new lady golfers or for those returning to golf after a break.

The Club also plays host to the Ladies British Open Amateur Championship 19th-21st August - visit www.moortown-gc.co.uk for more info.
